- Russell Group graduates are highly sought after
 - Nationally and Internationally
- Russell Group graduates earn on average 10% more than non-Russell Group graduates over a lifetime

The Russell Group

Charlie

BSc Biomedical Sciences at
Newcastle University (2014-2017)

"I wanted to know that my final year research project was going to be valued by employers; attending a Russell group university added more value to my experiences in the lab and helped me progress to an MRes in Neuroscience"

The Russell Group

Sophie

BA Geography at Newcastle
University (2015-2018)

"Funding from the Royal Geographical Society directly influenced my learning experience at university through guest lecturers in expert areas and funding for field trips to further my learning"
